

The logo features the word "ICEGOV" in large, white, bold, sans-serif capital letters. The letter "I" is partially obscured by a thick, vertical black bar. Below "ICEGOV", the words "2008 Cairo" are written in a smaller, bold, black, sans-serif font. The background is a vibrant red with a subtle pattern of thin, white, parallel lines that create a sense of depth and movement.

ICEGOV2008 Announcements

ICEGOV
2008 Cairo

- 1 Presentation slides, photos and videos to be available soon at www.icegov.org
- 2 Certificates of attendance for ICEGOV2008 – write to icegov@icegov.org
- 3 ICEGOV2008 evaluation forms – hand over in reception, or use www.icegov.org

Awards – Practice

ICEGOV
2008 Cairo

THEORY

Papers presenting a case study or discussing specific aspects of practice in Electronic Governance with detailed analysis of problems and possible solutions. Discussion of problems relies on some frameworks or models. Papers must present significant innovation on the use of technology to address challenging issues or problems in Electronic Governance, with wide applicability of the proposed idea.

AWARDS

The submission that presents the most innovative Electronic Governance initiative.

Awards – Practice Nominees

Awards - Theory

ICEGOV
2008 Cairo

CATEGORY	Submissions presenting the development, critique, modification or adaptation of a theory in information systems, public administration sociology or related disciplines applicable to Electronic Governance. The papers must apply clear rigorous and scientific arguments (based on evidence or data) in establishing results or supporting thesis or propositions.
AWARD	The submission that makes the best contribution to building foundations (theory) for Electronic Governance.
NOMINEES	Merged with Theory and Practice category

Awards – Theory and Practice

ICEGOV
2008 Cairo

CATEGORY

Papers demonstrating application-specific theories to addressing problems in practice. Alternatively, papers providing better understanding of some observed phenomenon (problem or solution) in the practice of Electronic Governance.

AWARDS

The submission that best links Electronic Governance theory and practice.

Awards – T&P Nominees
